CUTTINGCORNERS.COM '97 is McClintock Fam, not childless 72y/o Cleaver's "IRS & Childs Harm".

Cleaver's \$30m LLCs pay Frankel-FFIH & McClintock Cuttingcorners.com LLC "30% of our \$30m".

LOOMCRAFT-FFIH. BRIAN FRANKEL retains business and URLs. Cleaver's \$20-30,000,000 off to Tuscany, Italy, and they just deed frauded \$4.7mm in Sonoma 95452. IRS 26 U.S. Code § 6701 reported in 1Q'24 Frankel was not aware of. Brian's \$100m-ish Ron Frankel dad will love this deal, because Army Captain Mac McClintock was telling buddies that "Joe must be FKN mafia". Ron didn't like Joe when I visited your HQ (As Waverly Schumacher was courting Loomcraft like they did our Cutting Corners). I looked at his line and said 'Hell changing a damn flower dsnt offset 75yr copyrights Ron" Then I got hammered trying to keep up with Leadfoot Ginsberg's new EuroSpeedster. I flew to Andersons w some Frankel Samples. Then CC HQ 13740. Dad said too close to Waverly Floral&French. I later suggested my bakernet.com in Dallas. Baker Makenzie does not involve Family, only Corporate.

We have never been to civil/criminal/tax court about Captain Dad's Capitol Stock. The only order to fortify the tax fraud heavy debbie@W-Dlaw.com's coerced-w-cancer CSA was Aspen. Cleaver deed frauded Dad's \$1.05m Snowmass/Aspen condo that he wrote for his grandchildren. **NOT Cleaver. Indicted Convicted lawyer walter Tom Finley drafted all McClintock's deeds to Cleaver.** I went to CO.DOR and IRS, and Judge Seldin went back into the private sector. I asked him "Are you Aspen Ski Club w Dr Joe&Kelly Cleaver wine-snob?"

Kelly Cleaver, old bossy-conceded-winesnob so pissed that dad's 1st 2 trusts were 50/50, she sued me for 100% in both PR cases in Dallas and lost. Cleaver actually hired a White Collar multi-state crime lawyer, Mike McCue, for dad's PR cases! She thought CC-FR accountancy order might magnify that she swore to IRS that dad's business was worth \$520K. My CC's business capitol/voting 50% stock has no civil/criminal suit yet. Cleaver family takes \$30m.

Loomcraft dba FFIH LLC '24 reports '78 Cutting Corners/Fabricresource.com LLC to Dallas DA. Cleavers will pay up to avoid a criminal complaint from "Outside McClintock bloodline"(So says ADA). Dad and I reported Cleaver, Kelly for elder/trus fraud in '16, as dad was furious about her 6705 N.Hoston sore behind our backs like AZ's \$1.4mbut donna Stritmater Max 5 years in civil & Tax Court 26 U.S. Code § 6701 with bakernet.com is avoided. McClintock's Eldest is 18, almost ready to fight. Brian's 'lil bro and a couple Loomcraft employees said "That's Brians, not us" FFHI w \$6m DFW estate saving the FamBiz from Cleaver. Gains Tax 26 U.S. Code § 1001? Frankel could be tax successor even though you change the EIN.

4 accounts @ IRS Whistblowers about ALL Dad's looted assets. Our Trustee, Exec is bribed by 72y/o Dr Jersey Joe Cleaver. Joe's LLCs will pay Frankel's FFIH, McClintocks owners and CC P.S back \$10mm for freedom to Tuscany w \$20m to spend OR get it all jacked by Italian Politzi

No tax/criminal/civil court.

Cleavers will pay us 30% of Captain Dad's Estate to avoid Italia Politzi/IRS Extradition.

Notice how Cleavers sold the rest dads \$30m estate after I reported it to my 4 accounts in 1Q/24. IRS takes 2 years without DOGE and Gvt Shutdowns. Whistleblowers WILL freeze their Italian assets unless they pay-up.

My IRS Account #005966 contains Fondren. #005967 is CC valuation at \$12,379,863.00(with it's Morgan Stanly unreported corporate stock. as Kelly Cleaver's contract to buy Capitol/Voting Stock from Captain Dad has been breached 3x. She did KNOT pay USARP Captain or Son for 50/50 Capitol stock.

McClintock "Child Harm" by stealing their IRISH lineage inheritance. Usually, Trebble Damages.

Brian simply says to Kelly...Deceptive Trade/Embezzling/Tax fraud is a 1st Degree felony(No freedom to Italy) Pay McClintock lineage 30% of \$30m and Frankel saves Cutting Corners from your IRS-Quick asset sell off.

Good morning Madam Trustee Ashley,

4 McCLINTOCK DEEDS ORDERED TO THE CAPTAIN's SON via his contracted PoA / TRUSTEE: KELLY ANN CLEAVER

I really don't understand Ken's harassments. I've sent all of the legal papers that I am aware of and an invitation for explanation of them, as well as what I have planned for the long-run.

Currently, no matter how the life insurance policies are ruled, Ken's inheritance will be paid for by Mac's assets, including Fondren building loan, Snowmass & New Orleans properties. As you have reviewed, all of these assets are owned by Mac's living trust. I cannot personally "steal" or own them. Since the properties are costing Mac's estate in condo fees, insurance and taxes, and are no longer serving a purpose, they will be sold soon. The proceeds will go into the trust, which will later pay Ken's inheritance. Your Tampa home is also in the trust and will be part of Ken's inheritance. This not my plan, it is Mac's plan, and it is the law.

Because Ken refuses to cooperate with my request (to stop harassing my associates and me) you and your family are losing monthly gift checks and in the long run, my good will and possible, significant monetary gifts. I believe that this can be considered "hurting you" so I believe it's time to involve your father in the matter. Can you give me his contact info please. Perhaps we can hire a lawyer or paralegal to explain the legal documents to you and your parents in Tampa, and/or as I have offered here in Dallas in February. It's all very complicated, but once you understand it, it's very clear and legally binding.

Do you have a date for a February meeting in Dallas? If Ken is unable to travel, we can arrange a skype meeting.

This PoA/Trustee's letter stopped me from re-hiring www.bakernet.com for a McClintock Company Capital suit. Kell had Kel said/wrote she must close the Fam-Biz "Because of Financial Reasons" Liar...she wanted to sell off 3104 Fondren for \$2mm and "Invest" in Casogno LLC to Retire to Italia

Dr Joe & Kelly Cleaver took 100% of \$7mm from CC Employees&Son

1. In 2015, an employee told Army Captain Mac that Kelly sold our 1st build 6705 FM1960 Houston. Dad was 85 and completely angered when he called me. "Fok Kelly, she's closing everything!". He said "Is Joe poor Mafia". She's telling everyone she paid Captain Dad then me \$3mm for "Her Rights". Nope, she paid a Def Comp over 2 decades @ \$110K, like she paid her Jersey husband. Captain Dad and I knew I took early retirement salary payout, not a Capitol Stock %. Encase the looted/Fam Biz, I could save it with my 30 fabric URLS and charge Cleaver w over \$300K Trust/Embez/Corporate/Tax Fraud (1st degree felony @ \$300K limit w MANY counts).

Why Cleaver will pay FFIH LLC and retire to Tuscany with \$20m+. Kelly might pay my cuttingcorners.com LLC \$10m after we clear all the Gains/Corporate Taxes for embezzling. "How we tossed Al Capone in Fed"

***Dad and I turned her into the Dallas DAs office under "Cleaver, Kelly" for elder/trust fraud when we found the securities were stolen(below). Main ADA was Donna Stritmatter Max (She's now Fed). The office considered it and said we had a helluva criminal case, but blood arguments must be in Civil/Probate...not criminal. IRISH Captain Dad said "I'm calling the Cops" on Viviano & Dr Cleaver. McClintock securities w 3x Gains for Cleaver.

My 3104 Fondren: No judge has ever ordered Fondren to Kelly or Fondren BLD LLC. Cleaver's lawyer has been indicted, convicted and disbarred for trust fraud who wrote the deals @ Bell Nunnally.

Walter Thomas Finley.

The only specific deed awarded to Cleaver was Snowmass, CO.. Judge Seldin was a ski-team buddy of Van Arsdale.

I reported Gains/Gift Tax fraud to CO IRS and DOR. He went back to private sector. 26 U.S. Code § 6701
 3. MY FAM's FONDREN: deal was ALWAYS mine because we recalled moving the crowded lease across the street, I built the racks/permits/sign/heavy advertising ETC. Later I could save the biz by moving eCom from leased Midway to 3104 (which I also signed on). Fondren Fraud contracts below.

AGAIN, McClintock's 3104 FONDREN is our unreported title. Cleavers will pay 30% of our \$30m estate.
